

JOIN THE KART TEAM

Where faith is seeded gardeners are needed!

The work of KART is growing, and we **need** to increase the size of our team bringing people with a wide age range and a broad range of skill sets and experiences to help meet and support the needs of our mission.

KART exists to provide support to schools and churches with the presentation of the Christian message among children & youth in the Kirkcaldy area. A staggering 95% of under 18-year-olds don't go to church but many of them are open to faith.

"How can they hear unless someone tells them" Rom: 10:14

Our projects rely on our amazing team of enthusiastic and wonderful volunteers from all walks of life. They are an integral part to what we do.

Will you consider joining us?

Do you have some time to spare? Are you a young person who would like some voluntary experience to improve your CV? Any time you give and whatever commitment you can give will help make a huge difference to our making a positive (and spiritual) impact in the lives of children and young people.

Here are a few ways you can get involved. But if you have other skills, do contact us as we often have new opportunities, and an extra pair of hands help make more things happen!
